

Roblin & District Centennial Arena COVID-19 Site Plan As of September 4, 2020

The Municipality of Roblin wants to get our community back to using the recreation facilities in the safest manner possible. A number of protocols and procedures have been implemented to provide safety to the participants, spectators and staff of the Roblin & District Centennial Arena.

DISCLAIMER: *The Municipality of Roblin is not responsible for any fines incurred by users or spectators for not following the Manitoba Health Restoring Safe Services guidelines/public health orders as well as the Return to Play guidelines provided by the user's group's provincial sport body (if applicable).*

The health and safety of our employees and citizens is our number one priority. All employees, participants and guests are required to complete a self-screening tool daily before continuing to work or participate their activity.

The online screening tool can be found at: www.sharedhealthmb.ca/covid19/screening-tool/

GENERAL RULES:

- Employees, participants and guests will be advised to practice physical distancing by standing at least six feet away from other people. There will be COVID-19 related signage throughout the facility reminding patrons of physical distancing, hand hygiene and cough etiquette.
- **Please stay home if you or any member of your household is experiencing any flu like symptoms, even if they are mild.**
- Distancing markers and traffic flow markers will be located throughout the facility.
- Hand sanitizer dispensers will be placed at key entrances and high-contact areas such as lobby, washrooms and high traffic areas.
- All high touch areas will be cleaned on an increased basis each day. Public access washrooms will also be cleaned on a more regular basis when programming is taking place.
- The renter is responsible for the actions of their group or members
- Renters will be required to keep a list of the members of their group and contact information for 21 days to ensure appropriate public health follow-up can take place if a participant is exposed to COVID-19

Occupancy

Main lobby – 30 people

Main lobby public washroom – 2 people women's/2 people men's

Viewing Booth – 10 people

Lower Lobby (not including Dressing Rooms) – 30 people

Dressing Rooms:

Room 1 – 10 people

Room 2 – 10 people

Room 3 – 10 people

Room 4 – 10 people

Room 5 – 1 person

Ref's Room – 1 people

Ice Surface Spectator Seating (limited to south side) – 50 people

The north side seating will be closed off to the public and is limited to staff, coaches, and players to access the benches.

BUILDING ENTRY:

- Entry will be through the marked doors on the main entrance
- Upon arrival, every individual entering the building is to use the hand sanitizer located at the top of the stairs of the main lobby
- On-ice participants are to follow floor markings heading north on the right-hand side of the lobby to the north stairwell and then proceed down the stairs to their designated dressing room while maintaining social distance.
- Spectators are to follow floor markings heading north on the right-hand side of the lobby to:
 - a) viewing area, or
 - b) to the north stairwell and proceed through the doors following the directional arrows to the south bleacher seating area.

BUILDING EXIT:

- On-ice participants will exit their dressing room and follow the floor marking to proceed to the south stairwell and up the stair to the front door on the left-hand side marked as the exit.
- Spectators seated on the south bleachers are to follow floor marker behind the bleachers and proceed to the south blue doors, of the ice surface, to the south stairwell and proceed to the front door marked as the exit.
- All participants and spectators are encouraged to use the hand sanitizer provided at the top of the main lobby stair as they vacate the premises.

GENERAL PARTICIPANT PROTOCOLS:

- Participants will not be able to enter the Roblin & District Arena until twenty (20) minutes prior to the start of their session and must vacate the premises twenty (20) minutes after the session has concluded. Any group that remains in their room will be charged a 15-minute fee for every 5 minutes their group remains in the building.

- Teams in the U15 AAA, U18 AAA, and high school may arrive 30 minutes prior to ice times
- All on-ice participants are strongly encouraged to arrive dressed in their equipment except for their skates, gloves and helmet when entering the facility.
- **At this time, only one person** will be allowed to accompany the participant into the facility. These individuals will be directed to a space in the arena where they will have to remain while in the facility, except for utilizing the washroom.
- Dryland training or warm-ups are not permitted in the facility
- We strongly encourage no outside food or drinks within the arena. We strongly recommend no sharing of food.
- The lower lobby washroom will be available for on ice users only to access sinks and toilets. No showering at this time.
- All participants must bring their own labeled, prefilled filled, water bottle(s) to the facility. Sharing water bottles is prohibited.
- No water fountains will be available to participants or spectators.
- If you do not comply to these guidelines you will be asked to leave the premises and may have your privileges for future programming suspended indefinitely.

ICE RENTALS

All users must adhere to the most current provincial health orders and deviation from the public health order will result in the group being asked to leave the facility immediately and future ice rental privileges could be suspended indefinitely.

- Ice capacity is per the current Return to Play policy, and or Manitoba Health orders at the time of the ice rental and is subject to change. Adult groups = 25 people (10 players per bench).
- Participants will not be able to enter the Roblin & District Arena until twenty (20) minutes prior to the start of their session and must vacate the premises twenty (20) minutes after the session has concluded.
- All participants are strongly encouraged to come in their on-ice equipment except for their skates, gloves and helmet when entering the facility. Goalies may put their pads on while in the facility.
- Dressing rooms are clearly marked to ensure physical distancing while in the room. **The main dressing room door is to remain open at all times to reduce touching of shared surfaces.** These areas are not secure, so we ask that all valuables be kept at home.
- Congregating or standing in hallways or common areas is not currently permitted.
- Your dressing room space will be sanitized prior to every use. We ask that players do not share spaces or supplies.
- **At this time there will be no access to the dressing room showers or water station.**
- All players and coaches must maintain physical distancing while in the facility and on-ice as much as possible.

- Absolutely no spitting, nose blowing without tissue or fighting. A zero-tolerance policy regarding spitting, nose blowing, and fighting will be enforced, and individuals may be asked to leave the premises and have future bookings suspended.
- To enhance physical distancing players should use the same entrance on and off the ice nearest to their dressing area. Dressing rooms or skate tying areas will be allocated to help distance one group from another.
- Given the small space of benches, use of benches is strongly discouraged by groups of players at this time. Acceptable use is for quick equipment repairs, all other items should be completed in the dressing room space provided.

Games, Scrimmages & Events

- Hockey Manitoba sanctioned events will follow the current phase of Hockey Manitoba's RTP and the restrictions/allowances described therein. Those in charge of Hockey Manitoba sanctioned events (Roblin Minor Hockey Association, it's executives, coaches, managers, and members) are expected to know and follow Hockey Manitoba's RTP and should help the facility ensure all who are associated with their events (spectators, officials, etc.), are informed of and follow the guidelines also. Hockey Manitoba's RTP can be found at: <http://www.hockeymanitoba.ca/return-to-play/>
- Skate Manitoba sanctioned events will follow the current phase of Skate Manitoba's RTP. Those in charge of Skate Manitoba sanctioned events (Roblin Skating Club, it's executives, coaches, and members) are expected to know and follow Skate Manitoba's RTP and should help the facility ensure all who are associated with their events (spectators, officials, etc.), are informed of and follow the guidelines also. Skate Manitoba's RTP can be found at: <https://mbskates.ca/wp-content/uploads/2020/07/RETURN-TO-PLAY-PROTOCOL-FOR-INDIVIDUALS-INVOLVED-IN-SKATE-CANADA-PROGRAMS-AND-FIGURE-SKATING-ACTIVITIES-4.pdf>
- The Roblin Recreation Department will keep copies of each group's most recent RTP version/phase on file for reference. To ensure those files are up to date, each group is asked to inform the Recreation Director of any changes to their provincial organization's RTP.

****As the COVID-19 cases and regional health districts situations change daily, this site plan is subject to change based on public health orders and provincial sport organizations Return to Play phases and strategies. It will be imperative that all users, staff and spectators work together, be respectful, communicate and do their due diligence to make this season a success.***
